

Regulations on Accommodation Preferential Scholarships for Tunghai University Student Dormitory in Winter and Summer Vacation

Adopted by the Student Affairs meeting on June 24, 2015
Approved for reference by petition No. 1042300755 on September 10, 2015

Article 1 To look after poor students so that they feel at ease to attend school as our school spirit, for financial aid labor service students and common grant students staying in school to serve in winter and summer vacation, accommodation preferential financial aid incentives are implemented. According to Article 7 of directions for the school dormitory accommodation application in winter and summer vacation, this regulation is enacted.

Article 2 Our university students in line with the accommodation preferential financial aid rewards with service hours for work in business units amounting to eight hours weekly on average, may apply for this grant.

Article 3 Life learning advisor of financial aid labor service and common grant shall confirm and send students' service hours within two weeks after school opening. After qualifications are audited by Student Housing Service Division, Office of Student Affairs and passed, winter and summer vacation accommodation preferential grant will be issued. Being overdue, it is inadmissible.

Article 4 The grants are issued in March and October each year.

Article 5 This regulation comes into force after adopted by the student affairs meeting, submitted to and approved by president.
